

# Call for Special Issues

Intellect is seeking new special issue proposals to place within a number of our journal titles. We are particularly interested in receiving proposals for special issues on the following topics:

- Contemporary cinematic theory and practice
- Sound studies
- Theatre studies
- Dance studies
- Visual culture (particularly in relation to politics and public communication)
- Design research
- Art and technology
- Creative technologies
- Augmented reality

If you would like to propose a special issue, please complete a Guest Editor form, which is available to download from our [Publish with Us](#) page. Please send the completed form and your CV to Intellect Journals Manager, Amy Rollason: [amy.r@intellectbooks.com](mailto:amy.r@intellectbooks.com).

As part of the evaluation process, your proposal may be shared with journal editors and other experts in the field.

Deadline: **1 April 2022**
