Fashion, Style & Popular Culture

ISSN 2050-0726 | Online ISSN 2050-0734

4 issues per volume | First published in 2014

***Fashion, Style & Popular Culture* will be increasing from 3 times to 4 times per year starting with Volume 7!**

Why? Because

- *Fashion, Style & Popular Culture* or *FSPC* is a best-selling journal within the Fashion Collection for Intellect.
- *FSPC* has far exceeded the subscriptions and usage that Intellect could have anticipated from a journal of this age within this subject field with citations increasing significantly in the past two years, with an increase of 85% between 2017–2018.
- In 2015, after just two years of publication, *FSPC* was accepted onto the Web of Science Emerging Sources Citation Index, and is now in evaluation for the Web of Science Social Sciences Citation Index. Last year, it was accepted onto the highly-prestigious Scopus database.
